

Catering

We work with events large and small - weddings, to corporate to rehearsal dinners to family reunions to provide memorable meals and experiences – from full service catered meals to simple drop-off deliveries of fully prepared and cooked All Crocked Up (ACU) meals and/or George's BBQ. But regardless of the size or style of the event, one thing is always true, you and your guests will always get a delicious made-from-scratch meal (BBQ or crock pot meal) like only we can provide.

We can bring a stainless smoker for virtually any size party. We can also provide a full buffet of crock pots and serve any of the All Crocked Up meals. We can also bring all the fixin's from sides to sweets to sweet tea, so you can focus on welcoming guests and having a great time at your event.

So, if you're looking for us to cater our crock pot meals, or BBQ smoked meats, sides or desserts, we're happy to help and also offer convenient drop-off delivery of fully prepped ready to go meals.

All we ask is that you allow a minimum of 48 hours notice for deliveries and two weeks notice for full service events.

- Perfect for birthday parties, weddings, office parties, family reunions, boxed lunches and more!
- Delivery or full service catering is available depending on party size.
- We request 48 hours notice for all delivery orders and two weeks for full service catering.
